Good morning Tyree,

The attached discontinuance notice & final plan for land use permit MV2014D0001 has been reviewed and appears correct as submitted.

The undersigned Inspector hereby recommends that the Mackenzie Valley Land and Water Board issue a letter of clearance to the Permittee pursuant to Section 33 of the *Mackenzie Valley Land Use Regulations*.

Since the land use permit was issued after Devolution (April 24th, 2014) no land use fees are owing for the completed land use operations.

If you have any questions or concerns, please do not hesitate to contact Brandon Bradbury at (867) 447-3538 or me at the numbers below.

Regards,

Clint
