Dear Mr. Harpley:

Further Study Requested
Canadian Zinc Corporation – Prairie Creek All Season Road Land Use Permit Application

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on November 8, 2018 to consider your application for Land Use Permit MV2014F0013. The Board determined that under paragraph 22(2)(b) of the Mackenzie Valley Land Use Regulations, further study needs to be conducted. This Permit Application was submitted in conjunction with Water Licence Application MV2013L2-0005, and the Board has decided that as the Applications are for activities related to the same project, they should be reviewed and considered by the Board together.

A determination will be made by the Board on Permit Application MV2014F0013 at the same time as the Water Licence Application MV2014L8-0006.

If you have any questions or concerns regarding this letter, please contact Julian Morse at (867) 766-7453 or email jmorse@mvlwb.com.

Yours sincerely,
