Re: Land Use Permit: MV2015Q0022 Hwy 1 km 191.6
Quarry Permit 2020QP0008

Dear Ms. Mullaney

The above referenced Land Use Permit expires February 17, 2021 and we would like to request a 2 year extension.

Our company has utilized this location to obtain gravel for various contracts in the South Slave area and are requesting the extension based on the same conditions as the existing Land Use Permit. We are not changing any facets of the operations as originally applied for.

I have attached our Engagement log with respect to this request which will be updated mid January 2021.

We trust the foregoing to be satisfactory, however should you require further information please contact me at 867-874-3243 or by email at twalsh@rowes.ca

Sincerely,

Trudie Walsh, Contracts Administrator

Re: Land Use Permit MV2015Q0022 Hwy 1 Km 191.6 – 2 Year Extension Request

Rowe's Construction will be applying to the Mackenzie Land and Water Board to extend our Land Use Permit for the gravel pit located at Highway 1 Kilometre 191.6 (see attached map for further information). The Land Use Permit is for the purpose of accessing and removing gravel to be used on various projects in the south slave area. No amendments to the current permit (expiring February 17, 2021) are being requested.

We respectfully request a written response by January 10th indicating any concerns or questions or confirming your support.

Please contact me at twalsh@rowes.ca or 867-874-3243 ph, 867-874-6558 fax, regarding any questions or to arrange a meeting to discuss this extension request.

Sincerely,

Trudie Walsh, Contracts Admin.
