Dear Dr. Pehrsson:

**Land Use Permit – Final Clearance**  
**South Rae Area Geological Sampling Study**

On January 9, 2019 the Mackenzie Valley Land and Water Board (MVLWB or the Board) received your Final Plan for Land Use Permit MV2015X0006. On February 7, 2019, the MVLWB reviewed the file for this Permit MV2015X0006.

As the Geological Survey of Canada is a Federal department, additional land use fees were not required as per Section 20 of the Mackenzie Valley Land Use Regulations. As such, no land use fees are owing or refundable for this operation.

The Board hereby grants the final clearance of Land Use Permit MV2015X0006. This file is now closed under section 33 of the Mackenzie Valley Land Use Regulations.

If you have any questions or concerns, please contact Angela Love at (867) 766-7456 or email [angela.love@mvlwb.com](mailto:angela.love@mvlwb.com).
