Thanks Angela

The sites were completely cleaned up, so no issues. I recommend approving the closure of this file.

Good Afternoon Mike,

Attached is the final plan for the Geological Survey of Canada Permit MV2015X0006. Please let me know if you have any questions prior to making your recommendation.

Thanks,
Angela

Dear Angela...

Pls find attached closeout final report on our project. Mike Vassal communicated and noted that he found no issues and that sites we had occupied were completely cleaned up.

Regards
Sally Pehrsson
