Subject: information for commencement of GSC Wignes Camp
Date: June-29-15 1:52:51 PM

Dear Angela and Mike:

Per conditions number 4 and 5 of MVLWB MV2015X006 Class A licence for the Geological Survey's Wignes Lake camp and field activities I am providing the following information:

- a) Person's in charge of the field operation: July 2 to July 21: Dr. Sally Pehrsson; July 21 to Aug 7; Dr Janet Campbell
- b) Alternates: Ms. Edith Martel, GNWT, Mr Chris Pyett of Discovery Mining services (camp manager on site)
- c) Contact information: satellite phone # for the Wignes camp is: 780 628 1898. It will be operation July 2 and be on in the evenings for calls from 6-8 pm, NWT time. In addition the camp will have internet: and the above mentioned people can be reached at:

pehrsson@nrcan.gc.ca

Janet.Campbell@NRCan-RNCan.gc.ca

Edith_Martel@gov.nt.ca

Chris Pyett can be reached via Discovery Mining services manager in Yellowknife:

Kevin Vickers

Discov@ssimicro.com

867 920 4600

Note that due to the fire situation in NWT and logistical issues we are commencing a bit later. We aim to extend our time a little to make up for that..but the camp will be empty by August 7th and Discovery will complete the demobe and dismantling at that time.

Cheers and thanks

Sally
