Subject: Kennady Diamonds Inc - Advanced Exploration Applications - Notes on Review Timelines

Good afternoon, Board staff would like to take this opportunity to inform reviewers of Board staff's intention to present the Board with a request to invoke paragraph 22(2)(b) of the Mackenzie Valley Land Use Regulations for land use permit MV2016C0030. This will allow adequate time to gather information respecting the lands proposed to be used in the application and to process the Permit in conjunction with the associated water licence amendment application (MV2013L2-0005). If the Board decides to invoke, the comment deadlines identified in the ORS may be extended to reflect the decision. If you have any questions, please contact Shannon Allerston at (867) 766-7458 or sallerston@mvlwb.com. Thank you.
