Dear Mr. Enge:

Bullmoose-Ruth Remediation Project (the BMR Project) – Follow-up

Thank you for your October 26, 2016 letter providing comments on the Draft Water Licence and Land Use Permit for the BMR Project, and an update on the dialogue between the NSMA and INAC-CARD.

Board staff notes that the NSMA has a meeting scheduled with INAC-CARD on November 4, 2016, to discuss outstanding concerns related to consultation on the BMR Project. We request that you provide an update to the Board on this matter following that meeting, no later than November 8, 2016. INAC-CARD will be given an opportunity to respond. The record for this proceeding will remain open, to allow this evidence to inform the Board's decision on the Applications related to the BMR Project.

Upon receipt of this information, Board staff will continue to process the Applications and a determination will be made by the Board. The Board encourages the ongoing dialogue between the NSMA and INAC-CARD.

If you have any questions or concerns regarding this request, please feel free to contact Julian Morse at (867) 766-7453 or via email at jmorse@mvlwb.com.

Sincerely,

A handwritten signature in cursive script that reads "Angela Plautz".
