Dear Mr. Ogilvie:

Tailings and Soil Containment Area – Final Detailed Construction Plan – Requests Granted
DIAND-CARD – Gordon Lake Group Remediation Project

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on February 13, 2018 and reviewed your request to change the submission deadline for the Tailings and Soil Containment Area - Final Detailed Construction Plan (Plan), required under Part D, condition 6 of Water Licence MV2016L8-0006 from January 22, 2018, and February 8, 2018.

The Board hereby approves this change in submission deadline for the Plan, from 45 days prior to the commencement of construction to 5 days prior to the commencement of construction. In addition, the Board acknowledges the submission of the Plan on February 8, 2018. The Board reminds DIAND-CARD that borrow materials should not be used until the memo regarding the geotechnical results is submitted to the Board, as described in the Plan. Board staff will conduct a conformity check of the memo and will contact DIAND-CARD to confirm material acceptability, prior to its use.

To align with the above decision, the Board also hereby approves the change in notification timeline for commencement of construction of the Tailings and Soil Containment Area, required by Part D, condition 8 of Water Licence MV2016L8-0006, from 10 days prior to the commencement of construction to 5 days prior to the commencement of construction, as requested on February 8, 2018.

If you have any questions or concerns, please contact Kierney Leach at (867) 766-7470 or email kleach@mvlwb.com.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Mavis Cli-Michaud".

Mavis Cli-Michaud
MVLWB, Chair
