INAC – Card Gordon Lake Remediation Project

September 12th 2018

RE: Land Use Permit -- MV2016L8-0006 – Gordon Lake Remediation Project Quarry Permit Closure.

Dear Mr. Ogilvie,

The final quarry reports for the Gordon Lake remediation project quarries 2018QP0002 and 2017QP0004 has been received. A final inspection of the quarries was completed and found in good order.

Please accept this letter as notification that the quarry permit has been closed in our records.

You can contact the undersigned officer if you have any further questions or concerns.
