Hello Mr. Enge and Mr. Ogilvie,

Thank you for keeping us informed of your continued efforts to meet. We continue to encourage dialogue between the two parties. We will be continuing with our process as currently scheduled; if the NSMA has any further information for the Board to consider, please submit this by November 8, 2016 as previously requested. INAC-CARD will have the opportunity to respond if they wish. At that point, all evidence will be brought to the Board for decision on the application.

Best Regards,
