Dear Mr. Carter:

Overdue Plans
Carter Industries Ltd. – Soil and Water Treatment Facility

The Mackenzie Valley Land and Water Board (MVLWB or the Board) staff have identified that Carter Industries Ltd. have several plans and submissions required in accordance with Licence MV2016L8-0007 that are overdue. Overdue submissions include:

- Closure and Reclamation Plan, required in accordance with Part I, condition 1 of Licence MV2016L8-0007. This Closure and Reclamation Plan was expected to be submitted by October 6, 2017;
- Final Detailed Construction Design Drawings and Specifications, required in accordance with Part E, condition 6. The Final Detailed Construction Design Drawings and Specifications for any Engineered Structure associated with the Licence were expected to be submitted by June 30, 2017;
- As-Built Reports, required in accordance with Part E, condition 9 of Licence MV2016L8-0007. The As-built Reports were expected to be submitted within 90 days of completion of any Engineered Structure associated with the Licence; and
- Surveillance Network Program Report, required in accordance with Annex A, condition 2 of Licence MV2016L8-0007. The Surveillance Network Program Report was expected to be submitted on March 31, 2018.

In order to maintain compliance with this portion of your Licence, Board staff encourage Carter Industries Ltd. to contact Board staff to discuss the submission of these reports.

If you have any questions or concerns, please contact me at (867) 766-7465 or email sallerston@mvlwb.com.

Yours sincerely,
