Subject: Glowworm Project Geophysics Work - MV2017C0022
Date: April 18, 2019 7:24:55 PM

Hello,

Please accept this notice that on or after Tuesday 23 April 2019, mobilisation of a temporary camp to Tarpon Lake will begin.

Program scope will include geophysical surveys and is planned for approximately two weeks duration. Further notice will be provided to Inspectors after the camp location is established and as the program progresses.

Darrell Epp is the program Field Supervisor - darrell.epp@auroragesciences.com
Sean Marshall is a responsible person - 867.445.1122 sean.marshall@auroragesciences.com
Chris Hrkac is the Senior Project Manager -
867.445.3666 chris.hrkac@auroragesciences.com

Should you have any questions regarding this notice, please contact the undersigned.

Sean
