

## Engagement Log – Application to Amend LUP MV2017C0024

Date	Communication	Response
<b>Town of Hay River</b>		
January – August, 2017	32 separate communications with Town regarding the Exploration Program at Pine Point	PPML should contact the Mayor if the Town can assist with the project.
January 27, February 23, March 8, May 16, May 30, July 6, July 25, August 14, August 30	Met with Mayor Mapes to update him on PPML's exploration program and plans.	No concerns expressed. Mayor Mapes supports PPML's exploration program as well as its interest in redeveloping a mine project at Pine Point.
April 27, 2017	Notification that permit application to expand exploration program will be filed in near future.	No response.
September 5, 2017	Written notice that PPML will be applying for an amendment to add land claims to exploration permit MV2017C0024. A map with the claims was provided.	No response.
<b>Hamlet of Fort Resolution</b>		
January – August, 2017	21 separate communications with Hamlet regarding the Exploration Program at Pine Point	No response.
January 30, 2017	Met with Hamlet Lands Officer, Carol Collins, to introduce PPML and its plans for redevelopment of Pine Point.	Interested in economic opportunities for residents of the Hamlet.
April 27, 2017	Notification that permit application to expand exploration program will be filed in near future.	No response.
September 5, 2017	Written notice that PPML will be applying for an amendment to add land claims to exploration permit MV2017C0024. A map with the claims was provided.	No response.
<b>Metis Councils and Nation</b>		
January – August, 2017	33 separate communications with Hay River Metis Council, 36 with Fort Resolution Metis Council, and 26 with Northwest Territories Metis Nation regarding the Exploration Program at Pine Point.	
January 30, May 10, May 20	Meetings with HRMC President. Discussed exploration program plans for 2017.	Council would like to be informed of contracting opportunities. PPML has subsequently sent position descriptions and requests for quotations. Positions at the PPML core logging facility in Hay River have been filled by candidates from HRMC.
March 1, 2017	FRMC requested Public Meeting in Fort Resolution with entire community to discuss PPML's plans. At FRMC's suggestion, PPML booked the community hall for a public meeting to be held on April 20, 2017. Tausia Lal speaking on behalf of Hamlet of Fort Resolution notified PPML on April 6 that the Hamlet was no longer willing to make the	PPML notified FRMC on April 6, 2017 of the circumstances that necessitated cancellation of the public meetings that they had requested. FRMC responded with an apology for the inconvenience.

Date	Communication	Response
	community hall available for PPML to rent for any reason, at any future date, and notified that the reservation for April 20 had been cancelled.	
March 7, July 10, July 24, August 9	Met with FRMC President, Arthur Beck and/or Vice President Warren Delorme. Discussed PPML plans, including exploration permits.	No concerns expressed. President Beck expressed appreciation for economic opportunities provided so far to residents of Fort Resolution. Wishes to see continued economic opportunities in Fort Resolution going forward.
April 17, 2017	Met with Jake Heron from NWTMN. Discussed economic opportunities associated with exploration program.	No concerns expressed about expansion of exploration program.
April 27, 2017	Notification to HRMC, FRMC, NWTMN that permit application to expand exploration program will be filed in near future.	No response.
May 30, 2017	NWTMN President Bailey sent letter re: exploration program impact on aboriginal rights. Requested a meeting to discuss ongoing and planned activities.	PPML replied June 20 to Metis letter with review of extensive and on-going actions PPML has taken to communicate with NWTMN. PPML remains willing to meet with NWTMN; please propose date and time.
August 9, 2017	President Beck asked that PPML senior staff meet with Shawn, at the FRMC environmental office. PPML's COO and VP Operations attended the meeting President Beck set up.	Shawn did not show up. When contacted by telephone he replied that he will not meet with any representative from PPML without the FRMC President and Council present.
August 23, 2017	Exploration Agreement between FRMC, DKFN and PPML was signed.	A copy of the Memorandum of Understanding that had been signed between FRMC and DKFN was provided.
September 5, 2017	Written notice to FRMC, HRMC, NWTMN that PPML will be applying for an amendment to add land claims to exploration permit MV2017C0024. A map with the claims was provided.	No response.
<b>Deninu K'ue First Nation</b>		
January – August, 2017	56 separate communications regarding the Exploration Program at Pine Point	Nation wishes to formalize an exploration agreement with PPML.
January 30, 2017	Met with Chief and staff. Separate meeting with Chief, Council and 1 staff person. Discussed exploration program plans for 2017.	Chief stated he was happy that the project was moving forward. Opportunities for DB and DKFN to partner on the project were discussed. Nation interested in an exploration agreement.
March 8, 2017	Notification that PPML intends to apply to expand the exploration program to include more equipment and claims.	DB copied on an email sent to GNWT Mining Recorder's office on March 21, stating DKFN expects to be consulted prior to registration of any new claims.
March 10, 2017	Met with Chief and one council member and discussed PPML's exploration program, including amendment application. Offered to host a public listening session.	Nation wishes to formalize an exploration agreement with PPML. No public listening sessions will be held in Fort Resolution.
March 21, 2017	Received a copy of a letter DKFN sent to the GNWT Mining Claims Recorder which stated that DKFN expects to be consulted prior to recording PPML's claims D, and D10 – D13.	PPML was not copied on any response that the GNWT may have sent to DKFN.
April 21; May 9;	Additional meetings with DKFN staff to	Focused on contracts and economic benefits.

<b>Date</b>	<b>Communication</b>	<b>Response</b>
May 10; May 19; July 10; July 14; July 24; July 27; Aug. 9; Aug. 14; Aug. 23, Aug. 29	discuss exploration program and associated economic opportunities.	During these months of meetings, PPML ordered 2000 Core Boxes from DKFN, provided job opportunities for line cutting, and arranged for joint ventures between the Nations and the drilling contractors.
July 14, 2017	Asked if DKFN was ready to release their objections to PPML's additional claims at Pine Point since all substantive terms of an exploration agreement had been settled.	DKFN informed PPML that their working agreement with KFN had been terminated and that going forward they plan to negotiate a partnership with FRMC in order to jointly conduct business with PPML. DKFN not ready to retract objections to claims until after their lawyer has weighed in.
August 23, 2017	Exploration Agreement between DKFN, FRMC and PPML was signed.	DKFN also provided a copy of the Memorandum of Understanding that had been signed with FRMC.
September 5, 2017	Written notice that PPML will be applying for an amendment to add land claims to exploration permit MV2017C0024. A map with the claims was provided.	DKFN has no objections to the amendment application.
<b>Katlodeeche First Nation</b>		
January – August, 2017	67 separate communications regarding the Exploration Program at Pine Point	Nation wishes to formalize an exploration agreement with PPML.
January 27, 2017	Met with Chief and 2 staff people. Discussed exploration program plans for 2017.	Nation wants direct benefits like contracting opportunities. Concerned about new claims.
February 24, 2017	KFN issued press release announcing cooperative agreement with DKFN on contracting, employment, monitoring and regulatory intervention for PPML's exploration and development work.	PPML replied on March 1 with congratulations and reiterated PPML's interest in working with willing partners.
March 8, 2017	Notification that PPML intends to apply to expand the exploration program to include more equipment and claims.	No response.
March 10, 2017	Met with Chief and three staff people and discussed PPML's exploration program, including addition of more claims. Notified that public listening sessions related to exploration program and mining/milling plan had been scheduled for April in Hay River and Fort Resolution. Offered to host a public listening session on the reserve.	Nation wishes to formalize an exploration agreement with PPML. No public listening sessions will be allowed on the reserve or elsewhere in the Region until an exploration agreement is signed. Concerned that PPML is engaging with too many parties; KFN and DKFN are the only indigenous people to have rights at Pine Point.
April 7, 2017	Email exchange related to PPML's interest in expanding the exploration program.	KFN is opposed to new mineral claims that PPML has filed west of the Buffalo R.
April 27, 2017	Email notification that permit application to expand exploration program will be filed in near future.	KFN asked to discuss in person at next meeting.
April 21; May 9; May 10; May 19; May 24; June 13; June 27; July 4; July 6; July 10; July 13; July 14; July 26; August 8; August 29	Meetings with Chief, KFN staff, and/or manager of Naeghazia Corp. to negotiate terms of exploration agreement, discuss exploration program and associated economic opportunities for the KFN/DKFN partnership, and receive updates on status of the Partnership between KFN and DKFN.	Focused on contracts and economic benefits. Many of the meetings in June and July were related to performance problems with the contracts awarded to the KFN/DKFN partnership.
July 13, 2017	On July 26, PPML Senior staff met with KFN	KFN informed PPML that DKFN has formed an

Date	Communication	Response
	CEO to ask why no one is performing any work on the line cutting project. No answers were provided.	alliance with the Metis for future economic opportunities with PPML and wants KFN to join, which KFN is not willing to do. KFN is not willing to recognize the Metis in any way. DKFN subsequently informed KFN that their partnership with KFN will end in 30 days; current work being done will continue until the contracts expire (August for drilling and completion for line cutting). KFN wants a separate exploration agreement with PPML going forward.
September 1, 2017	Exploration Agreement between KFN and PPML is signed. A copy of the letter sent to the GNWT mining recorder's office withdrawing KFN's objections to PPML registering new claims was provided.	Formal ceremony will take place in a few weeks.
September 5, 2017	Written notice that PPML will be applying for an amendment to add land claims to exploration permit MV2017C0024. A map with the claims was provided.	KFN has no objections to the amendment application.
<b>West Point First Nation</b>		
January – August, 2017	11 separate communications regarding the Exploration Program at Pine Point	
July 6 and 11, 2017	Met with WPFN to introduce DB corporate structure, current exploration program, plans for additional exploration, and current thinking on mine development project. Discussion and questions throughout.	Updated contact information provided by WPFN. Wish to continue to receive information about the project.
September 5, 2017	Written notice that PPML will be applying for an amendment to add land claims to exploration permit MV2017C0024. A map with the claims was provided.	Thanks for the update.
<b>Other Parties</b>		
<p>PPML also provided written notification about the application to apply for an amendment to MV2017C0024 to add additional claims to the exploration permit on September 5, 2017 to: Avalon Advanced Metals, Timberworks, and the NWT &amp; Nunavut Chamber of Mines. A map showing the claims was provided.</p> <p>Since January, 2017 PPML has provided copies of press releases and other information about its project, permitting plans and on-going exploration activities to other parties, including: Akaitcho IMA Office, Deh Cho First Nation, Deh Cho Land Use Planning Committee, Salt River First Nation, Smith Landing First Nation, Town of Fort Smith, Avalon Advanced Metals, Timberworks, and the NWT &amp; Nunavut Chamber of Mines.</p>
