Good morning Anthony,

Happy New Year and hope you enjoyed the holiday season.

I just wanted to touch base on the winter road construction side of things as I do imagine construction will be commencing in the very near future? Anticipated start dates would be appreciated.

To maintain compliance with the above noted land use permits, please ensure a minimum of 48 hours' notice is provided to Brandon Bradbury & me (Inspectors), and details of the identify agent permit conditions is included as well (permits attached).

Thanks Anthony and if you have any questions or concerns, please contact Brandon at (867) 447-3538 or me at the numbers below.

Regards,

Clint
