Land Use Permit MV2017X0008 Amendment Additional Information

The Department of Infrastructure (INF) will require the Mackenzie Valley Land and Water Board to accept quarry operations within 300m of a utility corridor. The Department of Infrastructure is proceeding with communications to the utility company and we will provide the board with updates when available

Below are images of the proposed quarry operations at Km 5 and Km 1.2 along the Behchokò Access Road and their proximity to the utility corridor. Any comments can be forwarded to Alexis Campbell, Environmental Analyst, INF, at Alexis.Campbell@gov.nt.ca or via telephone 867-767-9083 extension 31055.

Sincerely,

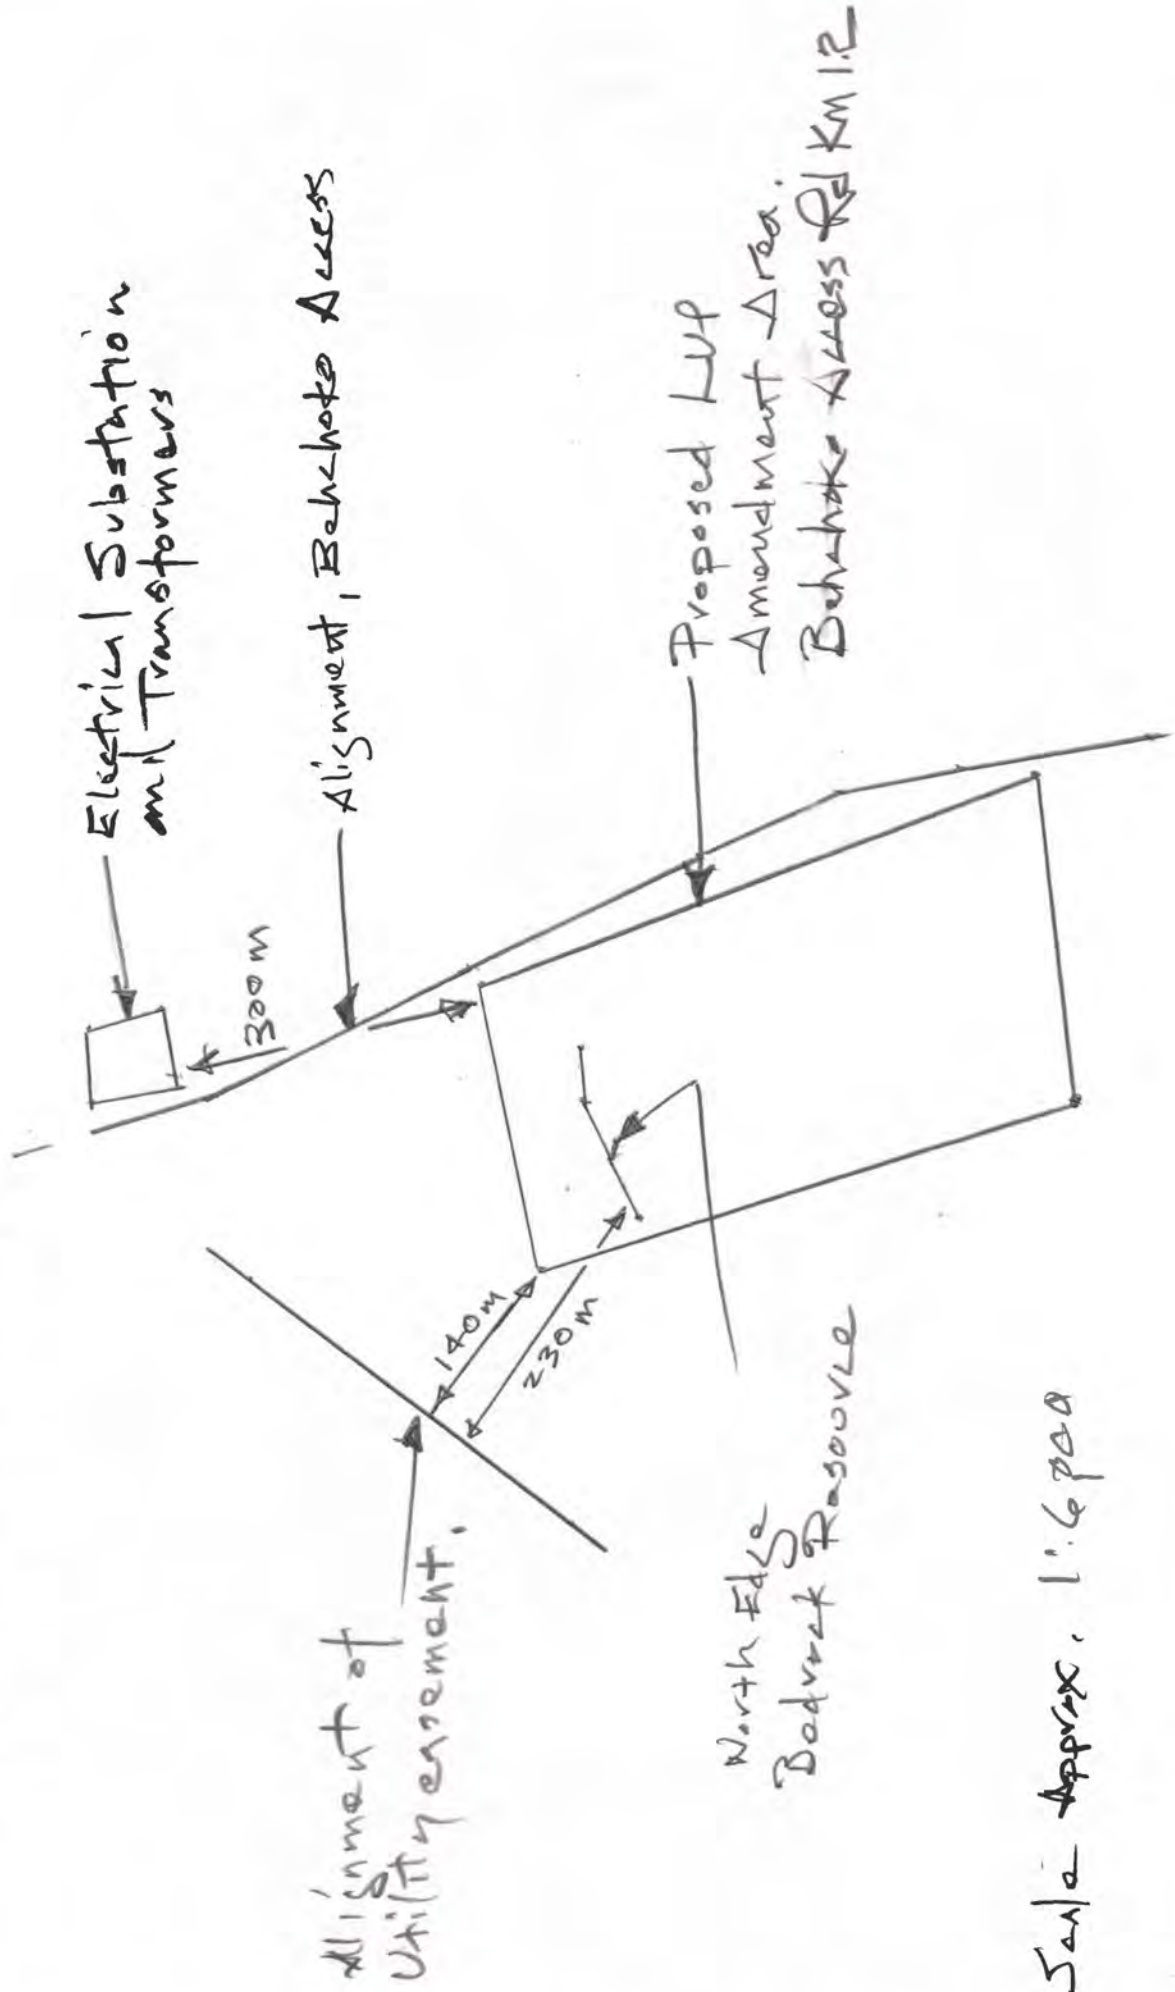

Alexis Campbell
