Miscellaneous – Fort Resolution

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on August 17, 2017 to review your Waste Management Plan, which was submitted as part of the initial application. At that time the Board approved your Report, conditional upon receipt of additional information and written conformity from Board staff.

This additional information was received by the Board on September 20, 2017, after which Board staff confirmed concordance. This letter hereby confirms that the changes requested in the August 17, 2017 letter have all been addressed, and the Waste Management Plan Version 2 has been accepted.
