**RE: Notification of Activity at Celibeta H-78 MV2018a0022**

Paramount Resources Ltd. ("Paramount") is notifying the Mackenzie Valley Land and Water Board ("MVLWB") and the Land Use Inspector of the commencement of the land-use operation under MV2018a0022 as required under Part C (7). Paramount's field contact is Neil Barsnsdall who can be reached via phone at 780-222-4153 or email at [nbarnsdall@synergyaspen.ca](mailto:nbarnsdall@synergyaspen.ca) . The alternate contact for the program is Larry Yoon who can be reached via phone at 403-290-6242 or via email at [larry.yoon@paramountres.com](mailto:larry.yoon@paramountres.com) .

The activity scope is an environmental site investigation to further assess Paramount's planned winter 2019-2020 activity. The work is scheduled to commence on October 1, 2019 pending weather. If you have any questions regarding the above or Paramount's planned winter activity, please contact the undersigned.

Respectfully,

Paramount Resources Ltd.
