Dear Mr. Buchco:

**Land Use Permit Application – Incomplete  
Road – Lac de Gras to Lupin Mine**

The Mackenzie Valley Land and Water Board (MVLWB or the Board) received your Application dated [December 14, 2018 for a Land Use Permit on December 17, 2018. Your Application has been reviewed and found to be lacking sufficient information to conduct a preliminary screening as per paragraph 22(1)(a) of the Mackenzie Valley Land Use Regulations (MVLUR). In order for this Application to be considered complete and forwarded for review, the following information must be submitted to our office:

1. The coordinates and map sheet number of the location of proposed activities. The coordinates provided with the application are not correct. Please update the coordinates.
2. The type and size of each piece of equipment. There are two lists identified in the application please compile to one single list.
3. Please refer to the section 5 of the *MVLWB Guideline for Geographic Information Systems (GIS) Submission Standard*. Provide GIS data for the key project
4. A Waste Management Plan. The guideline for a Waste Management Plan can be found on our website at:  
[MVLWB's Guidelines for Developing a Waste Management Plan](#)
5. An Engagement Plan, including an Engagement Log, which includes copies of all correspondence and minutes of all meetings held between yourselves and communities and Aboriginal groups and First Nations organizations listed in Table 1.

- c. A list of groups represented at the meetings;
- d. A list of the issues raised by the stakeholders; and
- e. An indication of how the issues were addressed in the application;

If you are unable to contact and meet with any of these communities, Aboriginal groups or First Nations, please provide the reason(s) as to why the meeting(s) could not be held. Provide a listing, including the dates, of any phone calls or other means that may have been used to provide information about the project and to hear any interests or concerns of First Nations with respect to your development;

Additional information can be found on our website: [Engagement Guidelines for Applicants and Holders of Water Licences and Land Use Permits](#));

6. Board staff encourage you to use the attached worksheet to calculate and provide a closure and reclamation cost estimate for the activities described in your application. The estimate provided with the initial application was complete for the total use of the winter road, where it should be for the construction of the winter road.

Board staff would like to extend an offer to you to further discuss the information requirements at your convenience.

Upon receipt of this information, the Application will be reviewed in accordance with the *Mackenzie Valley Resource Management Act*. For further assistance, please refer to "Guide To Completing Land Use Permit Applications to the Mackenzie Valley Land and Water Board" available on our website at [www.mvlwb.com](http://www.mvlwb.com) under "Apply for Permit/Licence" and "Forms and Guides".

If this supplementary information is not provided within ninety (90) days, then it shall be assumed that you do not wish to continue with the processing of this Application, and the Application will be returned to you as per Section 25 of the MVLUR. Any land use fees that have been paid with submission of the Application will be refunded to you by the Department of Aboriginal Affairs and Northern Development Canada.

If you have any questions or concerns, please contact me at (867) 766-7464 or email [tyree@mvlwb.com](mailto:tyree@mvlwb.com).

Yours sincerely,
