Hi Tyree,

The discontinuance notice is acceptable as a final plan for the above noted land use permit as no work was conducted under the authority of the permit.

The undersigned Inspector hereby recommends that the Mackenzie Valley Land and Water Board issue a letter of clearance to the Permittee pursuant to Section 33 of the *Mackenzie Valley Land Use Regulations*.

If you have any questions or concerns, please give Brandon Bradbury or me a call.

Regards,

Clint

Subject: MV2018F0024 - Nahanni Construction Ltd. - Notice of Discontinuance

Good morning Clint,

Attached you will find a notice of request for discontinuance submitted by Nahanni Construction Ltd. Nahanni has submitted a new application to cover all activities under MV2018F0024 and additional activities. The new application is out for review and comment now, my hope is that when I present the new application to the Board, I can also present the request for discontinuance as well as final clearance.

Let me know what your thoughts are.

Thanks

Tyree
