Subject: Update Engagement

Good morning Tyree,

I wanted to give an update on the KFN engagement. Ronald Schaub, our General Manager is in contact with Ken Norn from KFN and has submitted documents for some agreements between Rowe's Construction and KFN. Ken Norn is out of town for this week but will be back next week and the KFN will have an internal discussion before finalizing the agreement with us. Once this is set in stone and we will get their letter of support, I will get back to you.

In regards to West Point First Nation, we will work to find an agreement with them.

Thank you.

Kind regards.

Florian Mandfeld
Environmental Coordinator, M.Sc. Eng.
