### Dominion Diamond Mine ULC - New Land Use Permit Application - MV2019C0031 (MVLWB)

By submitting comments and recommendations to the Online Review System, you and/or your organization become a Party to this Proceeding and, as such, are expected to follow the Boards' [Rules of Procedure](#).

#### Item Description

Dominion Diamond Mines ULC (DDM) has submitted a complete application for a type A land use permit (permit). The purpose of this Application is to conduct the following activities:

- Mineral exploration, including diamond drilling and large diameter drilling;
- Large diameter drilling and/or trenching;
- Use and storage of explosives;
- Use of equipment, vehicles and machines;
- Construction, operation and maintenance of winter roads;
- Use and storage of fuel;
- Construction, operation and maintenance of a temporary camps; and
- Associated closure and reclamation of the above activities.

The above noted activities will take place on the Lac de Gras Property. DDM is requesting a term of five year.

Reviewers are invited to submit comments and recommendations using the Online Review System (ORS) by the review comment deadline specified below. If reviewers seek clarification on the submission, they are encouraged to correspond directly with the Applicant prior to submitting comments and recommendations.

Please provide comments and recommendations on the documents linked below. Reviewers may also wish to consider providing an overarching recommendation regarding whether they are in support of the submission, to provide context for comments and recommendations and to assist the Board with its decision.

Please note that the draft Permit has been developed using the MVLWB's current Standard Land Use Permit Conditions Template. The purpose of this draft Permit is to allow reviewers to comment on possible conditions. These draft materials are not intended to limit in any way the scope of reviewers' comments. The Board is not bound by the contents of the draft Permit and will make its decision at the close of the proceeding on the basis of all the evidence and arguments filed by all reviewers.

Under the Preliminary Screening Requirement Regulations of the Mackenzie Valley Resource Management Act (MVRMA), the Board must conduct a preliminary screening for an application for a proposed development that requires a land use permit, unless it is exempt from preliminary screening in accordance with the Exemption List Regulations. Reviewers are encouraged to provide comments and recommendations (e.g. on impacts and mitigation measures) to assist with the completion of the preliminary screening.

Please be advised that comments made by reviewers regarding impacts of this project to wildlife and wildlife habitat in this preliminary screening will inform the GNWT Minister of Environment and Natural Resources' determination regarding whether a Wildlife Management and Monitoring Plan will be required for this project as per Section 95 of the Wildlife Act.

All documents that have been uploaded to this review are also available on our public Registry. If you have any questions or comments about the ORS or this review, please contact Board staff identified below.
