Dear Mr. Miller:

Land Use Permit Application – Incomplete

Miscellaneous/Road – Fort Smith, NT

The Mackenzie Valley Land and Water Board (MVLWB or the Board) received your Application dated May 28, 2019 for a Land Use Permit on May 28, 2019. Your Application has been reviewed and found to be lacking sufficient information to conduct a preliminary screening as per paragraph 22(1)(a) of the Mackenzie Valley Land Use Regulations (MVLUR). In order for this Application to be considered complete and forwarded for review, the following information must be submitted to our office:

1. The total number of persons anticipated to be on-site.
2. The type and size of each piece of equipment.
3. The type and amount of fuel stored on site.
4. Proposed management and/or disposal of brush/trees.
5. A breakdown by water source, any amounts of water to be used for the proposed activities.

Board staff would like to extend an offer to you to further discuss the information requirements at your convenience.

Upon receipt of this information, the Application will be reviewed in accordance with the *Mackenzie Valley Resource Management Act*. For further assistance, please refer to "Guide To Completing Land Use Permit Applications to the Mackenzie Valley Land and Water Board" available on our website at www.mvlwb.com under "Apply for Permit/Licence" and "Forms and Guides".

If this supplementary information is not provided within ninety (90) days, then it shall be assumed that you do not wish to continue with the processing of this Application, and the

Application will be returned to you as per Section 25 of the MVLUR. Any land use fees that have been paid with submission of the Application will be refunded to you by the Department of Aboriginal Affairs and Northern Development Canada.

If you have any questions or concerns, please contact me at (867) 766-7465 or email sallerston@mvlwb.com.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'SJA', with a long horizontal line extending to the right.

Shannon Allerston
Regulatory Specialist
