## **Re: NorZinc Permit Applications**

Dear Chris,

NorZinc (NZC) wrote to us on March 19, 2020 and on April 7, 2020 to advise that they will be making applications to amend certain permits and apply for new permits. The details of the applications are as follows:

- LUP MV2019C0011 for underground exploration, application to change security payment requirement from 90 days after permit issue to before the undertaking;
- Licence MV2019L2-0006 for underground exploration, application to change security payment requirement from 90 days after permit issue to 9 months after permit issue;
- Replacement for LUP MV2013C0002 for surface exploration;
- Licences MV2014L8-0006 and PC2014L8-0006 for the all season road, applications to change the Licences from Type B to Type A in order to allow more than 300 m<sup>3</sup>/day of water to be withdrawn from previously defined sources;
- Replacement for LUP MV2008D0014 for mine operations for a 5-year timeframe with no changes to the conditions; and,

- Replacement for Type A Water Licence MV2008L2-0002, the main mine operations permit, with a 3-year timeframe with no changes to the conditions of the expiring license.

This letter is to confirm that NZC has engaged with us on these applications and that we support the company submitting the applications to commence the regulatory process. We reserve our right to provide further comments during the subsequent formal review processes.

Mahsi,
