Dear David Harpley:

**Spill Contingency Plan – Version 1.1 – Confirmation of Changes
Canadian Zinc Corporation – Mineral Exploration, Prairie Creek Mine, NT**

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on August 29, 2019 to review your Spill Contingency Plan, Version 1, which was submitted under Part F, condition 2 of Licence MV2019L2-0006 and Condition 64 of Permit MV2019C0011. At that time the Board approved your Plan, conditional upon receipt of additional information and written conformity from Board staff.

This additional information was received by the Board on June 30, 2020, after which Board staff confirmed concordance. This letter hereby confirms that the changes requested in the September 9, 2019 letter have all been addressed, and the Plan is therefore considered approved.

If you have any questions or concerns, please contact Andrew Wheeler at (867) 766-7467 or Jacqueline Ho at (867) 766-7455.

Yours sincerely,

A handwritten signature in black ink, appearing to read "A. Wheeler".
