Dear Mr. Harpley:

Security Transfer from Land Use Permit MV20130002 to MV2020C0008

We received notification from the Mackenzie Land and Water Board (MVLWB) that final clearance was granted for Land Use Permit (LUP) MV2013C0002 on September 17, 2020. The Department, on behalf of the Government of the Northwest Territories (GNWT), no longer requires the security for this LUP.

On September 14, 2020 we received a letter requesting the transfer of security in the amount of \$75,000.00 associated with MV2013C0002 to the credit of LUP MV2020C0008. This letter confirms that the security deposit formerly held under MV2013C0002 has been transferred to MV2020C0008.

This now brings the total security held under LUP MV2020C0008 to \$105,000.00. In order to satisfy condition #57 of LUP MV2020C0008 the additional amount of \$206,338.00 must be provided to bring the total security held under MV2020C0008 to \$311,338.00.

Should you have any questions or concerns, please contact our Land Use Advisor, Ms. Charlene Coe, at (867) 767-9187 ext. 24194.

Sincerely,

Clint Ambrose
