Re: Nogha Enterprises Ltd. – Land Use Permit Application Incomplete – Sand Quarry – Fort Simpson, NT

Dear Sean,

Further to your email dated May 14, 2020 regarding our incomplete application, we would like to submit the following:

Engagement Plan

We have forwarded on this date the attached via email to all affected parties:

- Village of Fort Simpson
- Dehcho First Nation
- Fort Simpson Metis Local
- Liidlii Kue First Nation
- Dene Nation
- GNWT Lands

We have forwarded on this date the attached via facsimile to this affected party:

- Northwest Territories Metis Nation

We will continue engagement with the affected parties via letter/phone/facsimile or face to face meetings, depending on their preference. At the time of renewal of our Land Use Permit. This will give Nogha Enterprises Ltd the opportunity to discuss and disclose the amount of material that will be extracted and how much is planned to be extracted under the new permit, as well as what the material will be used for.

If there are any planned changes to the operation at the site, written consultation requests will be sent to the interested parties at the same time that the amendment is submitted to the Department of Lands and the Mackenzie Valley Land and Water Board. If required, by the interested parties, further consultation via meetings will be arranged to address any concerns that they may have.

Sincerely,

R. Scott Gordon
Chief Operating Officer
