Dear Mr. Karl:

**Land Use Permit Application – Incomplete
Geotechnical Investigation – Fort Providence, NT**

The Mackenzie Valley Land and Water Board (MVLWB or the Board) received your Application dated January 24, 2020 for a Land Use Permit on January 27, 2020. Your Application has been reviewed and found to be lacking sufficient information to conduct a preliminary screening as per paragraph 22(1)(a) of the Mackenzie Valley Land Use Regulations (MVLUR). In order for this Application to be considered complete and forwarded for review, the following information must be submitted to our office:

1. An Engagement Record, which includes copies of all pre-application correspondence and minutes of all meetings held between yourselves and communities and Aboriginal groups and First Nations organizations, as indicated in your Engagement Plan.

Table 1: List of Communities, Aboriginal groups and First Nations organizations

Deh Gah Got'ie First Nation
Fort Providence Métis Council
Hamlet of Fort Providence
Neighboring residents in the vicinity of the activities applied for

Details should include:

- a. When contact was first initiated;
- b. The nature, dates, and locations of meetings held;
- c. A list of groups represented at the meetings;
- d. A list of the issues raised by the stakeholders; and
- e. An indication of how the issues were addressed in the application.

If you are unable to contact and meet with any of these communities, Aboriginal groups or First Nations, please provide the reason(s) as to why the meeting(s) could not be held. Provide a listing, including the dates, of any phone calls or other means that may have been used to

provide information about the project and to hear any interests or concerns of First Nations with respect to your development. Additional information can be found on our website: [Engagement Guidelines for Applicants and Holders of Water Licences and Land Use Permits](#).

Upon receipt of this information, the Application will be reviewed in accordance with the *Mackenzie Valley Resource Management Act*. For further assistance, please refer to *Guide To Completing Land Use Permit Applications to the Mackenzie Valley Land and Water Board* available on our website at www.mvlwb.com under “Apply for Permit/Licence” and “Forms and Guides”.

If this supplementary information is not provided within 90 days, then it shall be assumed that you do not wish to continue with the processing of this Application, and the Application will be returned to you as per Section 25 of the MVLUR.

If you have any questions or concerns, please contact me at (867) 766-7467 or email awheeler@mvlwb.com

Yours sincerely,

Andrew Wheeler
Regulatory Specialist
