Application # NIL2-0043Copied To PLM/BG/RegAttention: Greg Smith**RE: Surveillance Network Program Modification Request, Miramar Giant Mine Ltd., Water License NIL2-0043**

Dear Mr. Smith:

The Department of Fisheries and Oceans, Fish Habitat Management – Western Arctic Area (DFO) received the Surveillance Network Program Modification Request by Miramar Giant Mine Ltd. for Water License NIL2-0043.

The DFO is participating as an Expert Advisor, providing specialist information and/or advice. DFO's assessment takes into consideration primarily fish and fish habitat related concerns. As such, I have reviewed the Request with respect to water quality and quantity, general water, and aquatic habitat. DFO-FHM has no additional comments at this time regarding the project.

If you have any questions, please contact me at (867) 669-4919 or by fax at (867) 669-4940 or Stephanie Astephen at 669-4916.
