Dear Mr. Morse and Mr. Tsetso:

Re: **Responses to Comments on Initial Information Package**
Prairie Creek Mine All Season Road
MV2014F0013, MV2014L8-0006, PC2014F0013, PC2014L8-0006

With this letter, Canadian Zinc Corporation (CZN) is requesting an extension to the deadline for providing responses to party comments on our Initial Information Package.

Considering the number of comments (>500), and our understanding that a Technical Session will not occur until this coming June, we ask for an extension to May 15.

Sincerely,
CANADIAN ZINC CORPORATION

David P. Harpley
VP, Environment and Permitting Affairs
