Dear Sir/Madam:

**Re: Land Use Permit Extension Request – S03A-008
Water Licence Renewal Application – S03L1-016
Nogha/Tunago Lake Drilling Project
Colville Lake, Sahtu Settlement Area
Review List Letter**

On November/8, 2008, the Sahtu Land & Water Board received a request from Apache Canada Ltd. to extend Land Use Permit S03A-008 and to renew Water Licence S03L1-016 for an additional two years. The Land Use Permit and Water Licence commenced on December 13, 2003 and expired December 12, 2008.

As required by the Mackenzie Valley Resource Management Act, the Sahtu Land & Water Board is seeking your comments regarding this extension and renewal request. To facilitate your review of the project relevant documents have been provided. These may assist with clarification of location, scope and project parameters. The documents are as follows:

1. Letter of Request from Apache Canada Ltd., dated Nov. 18, 2008
2. Sahtu Land & Water Board Staff Report, dated Dec. 8, 2003 (without attachments)
3. Land Use Permit S03A-008 with Terms and Conditions, dated Dec. 9, 2003
4. Water Licence S03L1-016 with Terms and Conditions

Please submit your comments in writing by February 13, 2009. Should you have any questions regarding this request or the project, please contact the Sahtu Land & Water Board office.
