Hi Joan,

Please be advised that the SLUPB will not be submitting comments on this application and others in the near future due to current capacity and logistical limitations, and other priorities. The Board's efforts are currently focused on the completion of Draft 2 of the Sahtu Land Use Plan.

Regards,

*Heidi Wiebe*

Hi Heidi

Yes, I know you sent George an email or a letter stating the SLUPB would not be commenting on any applications but, I can't find the email/letter and George is on annual leave. Can you email me the letter so I can include it in my staff report for the Apache WL renewals (S03L1-015 and S03L1-016) and the LUP extensions (S03A-007 and S03A-008), please? Thanks

P.S. Everyone wants to know if Ida has been hired? Can you say?

Joan
