Dear Mr. Richardson,

**Re: Land Use Permit Application – S12X-006
Slater River Groundwater Baseline Drilling Program
Deemed Complete**

The additional information for your application for a Land Use Permit was received on October 26, 2012. Upon review, the SLWB has "**Deemed Complete**" the application for the purpose of section 22 of the *Mackenzie Valley Land Use Regulations* as of today. We will circulate the application to review organizations and complete a Preliminary Environmental Screening upon receipt of responses from these organizations. Additional information may be required during the review process.

We will seek the Board's approval to issue the Land Use Permit within a 42-day period ending on December 7, 2012. If you require additional information or clarification please do not hesitate to contact our office.

Respectfully,
Sahtu Land & Water Board
