Dear Ms. Love:

Re: Application S12X-006; Husky Oil Operations Limited Land Use Permit

With regards to the above noted project description for screening, the Department of Transportation – GNWT provides the following comments:

Based on the description provided in the LUP Application, this project is not expected to impact current or future DOT operations in the area. However, any changes to the referenced document would require a future Departmental review.

Further, DOT would like to add it's support to this application while noting the potential for increased traffic as a result of this operation along the stretch of GNWT Winter Road south of Norman Wells as identified in the application.

If you have any questions or more information is required please contact Larry Purcka, Head Design and Technical Support Services – DOT, by phone (867) 873-7547 or by email Larry_Purcka@gov.nt.ca or Fred Lamb, Manager Highways – DOT, at (867) 695-7660 or Fred_Lamb@gov.nt.ca.

Sincerely,

David Abernethy
Environmental Analyst
