1	Annual Report	<p>Comment The SRRB has reviewed the report and has no comment. There has been minimal activity at the sites and 2 wells that require monitoring have not been drilled yet. There has been no fresh water used, no waste produced, no new drilling, no discharges and no abandonment or restoration activity between September 1, 2017 and April 30, 2018.</p> <p>Recommendation None.</p>		
2	Inspection Report	<p>Comment Inspection reports of wellsites and well pads indicate that all are in good condition, with no erosion and with revegetation. Damage to flagging from wildlife was repaired. Formal abandonment of some sites</p>		

	will occur in winter 2019. Recommendation None.
