Subject: FW: LWB Online Review System - Deadline Reminder

Hi Bonnie,

As discussed, I am in the process of reviewing the comments received on the Annual Water Use Report. Given the technical nature of some of the comments, I will look to have a discussion with Colin before responding on the online system. To allow time for this discussion, is there an option to change the proponent response due date to April 30th?

Let me know. Thanks,

Christine Wickens, P.Eng.
