Dear Ms. DeCoste,

**Re: Water Quality Monitoring Plan and Report Extension Request – Granted
S15L8-001 – Great Bear Lake Remediation Project – Deline District**

The Sahtu Land and Water Board (SLWB) received a request for extension of the Great Bear Lake Updated Water Quality Monitoring Plan and Great Bear Lake 2016 Monitoring Report on March 2, 2017.

INAC-CARD has indicated that internal drafts of the report and plan will be ready on March 31, 2017, but require an additional 90 days for internal review prior to submission to the SLWB. INAC-CARD has indicated that the 2016 Annual Report will be submitted by the due date of March 31, 2017.

The SLWB hereby **grants the requested extension for 90 days, until June 29, 2017.**

A copy of this extension letter has been filed on the Public Registry of the SLWB. Please be advised that this letter, all Inspection reports and correspondence related to this file is part of the Public Registry and is intended to keep all interested parties informed of the manner in which the Licence requirements are being met.

If you have any questions or concerns please contact me at bonnie.bergmsa@slwb.com.

Sincerely,

Bonnie Bergsma
