Hello Ms. Ashton,

Thank you for your email inquiry regarding New Nadina Explorations Limited (New Nadina's) potential Land Use Permit Amendment Application. Please find here a link to the Boards' [Guide to the Land Use Permitting Process](#) (see page 21 for Amendments).

For a permit amendment, the proponent must provide the following information (preferably as part of their accompanying cover letter):

1. The condition(s) that the proponent wishes to amend;
2. The nature of the amendment;
3. The reasons for the amendment;
4. Proponents are required to engage affected parties of the amendment application prior to submitting the request to the Board. Refer to the [Engagement Guidelines for Applicants and Holders of Water Licences and Land Use Permits](#) for further direction. In accordance with the Boards' Engagement Guidelines (p. 19), written notification, confirmation of receipt, and follow-up with each affected party is, at minimum, required for an amendment application. Please find attached the Wek'èezhii East Pre-Submission Contact list; and
5. Updates to any plans that may be affected by the amendment.

Should you have any questions or concerns, don't hesitate to contact Board staff.

**Masi,**
