Dear Ms. Elsasser:

**Re: LUPA W2011C0004 – New Nadina Explorations Limited  
Mineral Exploration – Lac de Gras**

Aboriginal Affairs and Northern Development Canada (AANDC) reviewed land use permit application submitted by New Nadina Explorations Limited, for ongoing operations.

Comments and recommended operating conditions were posted on the WLWB's on-line review table by our Inspector, Nahum Lee, this date.

Comments received from Land Administration indicate no concerns.

Comments received from the Mining Recorders Office indicate that all mining leases as indicated on the application are in New Nadina's name and in good standing.

Thank you for the opportunity to comment on this application. Should you have any questions or concerns, please contact either one of our Land Use Inspectors, Clint Ambrose at (867) 669-2794 or Nahum Lee at (867) 669-2757.

Yours truly,
