Hello Ellen,

Just going through some of our upcoming expiries and noted that you have not submitted the application for a renewal permit as indicated in the below email. The review period for a land use permit application is a minimum of 45 days and based on this period, New Nadina's renewal application must be submitted no later than July 31st, 2011 in order to ensure that a new permit is in place prior to expiry of your existing permit. That being said, the sooner the better.

Just want to make sure all goes smoothly for you and New Nadina through the permitting process. As discussed previously, Clint and I would be more than willing to look over your application and provide feedback prior to submission. I have cc'd Brett Wheler and Ryan Fequet from the WLWB, who are also available to assist and will be processing your application. If you have any questions or concerns, please contact Clint Ambrose at (867)669-2794 or myself at the numbers below. Take care and have a good day.

Sincerely,

Nahum

Hello,

New Nadina's current land use operation is within the jurisdiction of the Wek'eezhii Land and Water Board (WLWB), therefore please follow the below link to their website.

I would also suggest touching base with Brett Wheler or Ryan Fequet at the WLWB to ensure all of their requirements are satisfied prior to the submission of the renewal application. Both of these gentlemen have been copied on this e-mail.

If you have any further questions or concerns, please do not hesitate to contact Nahum Lee at 867.669.2757 or myself at the numbers below.

Regards,

Clint

Hello

I have the draft content ready for the Land Use Application to send you for perusal but have hit a stumbling block in that I am not sure which form to use. I see that there is Mackenzie Valley Land and Water Board and Wekeezhii Land and Water Board plus more. Can you please provide me the website page of the proper form I download that I put this application on.

Thanks very much for your help. I look forward to hearing from you and hope to get this off to you as soon as possible. Ellen is on another job but is available on internet and just needs to proof before I send to you.

Hear from you soon,

Arlene Ashton for Ellen Clements
