Dear David Willis,

Final Clearance of Land Use Permit W2011C0005 – Mineral Exploration at Lac de Gras, NT

The Wek'èezhìi Land and Water Board met on March 29, 2019 to discuss the final clearance of Land Use Permit W2011C0005. The calculation for land use fees is as follows:

Area Used

Total Area Used:	0.38 Hectares
Total Area Paid For (Including area paid for in Application Fee):	9 Hectares

Fees Paid

Application Fee (Includes 2 Ha of Land Use Fees):	\$150.00
7 hectares @ \$50.00 per hectare or portion thereof:	<u>\$350.00</u>
Total Paid:	\$500.00

Fees Owed

Less fees paid (Receipt #C148293):	-\$150.00
------------------------------------	-----------

<u>Fee Refund (Fees Paid minus Fees Owed):</u>	+\$350.00
---	------------------

From the above calculation of fees, it has been determined that there has been an overpayment of fees in the amount of \$350.00 (General Receipt number C148293). The Board has forwarded a cheque requisition form to Indigenous and Northern Affairs Canada (INAC) and you will receive the refund from INAC under separate cover.

The final clearance of Land Use Permit W2011C0005 has been granted, and our files are now closed as per section 33 of the Mackenzie Valley Land Use Regulations. If any security has been posted by Permittee, INAC will handle any refunds or transfer upon receipt of the final clearance letter. If you have

any questions, please contact Roberta Judas, Regulatory Technician at (867) 713-2500 or by email at rjudas@wlwb.ca.
