Dear Mr. Willis,

Re: Storage Authorization

On December 7, 2018, the Wek'èezhìi Land and Water Board (WLWB) met to consider Peregrine Diamonds Ltd.'s request for a storage authorization pursuant to Section 16(3) of the Mackenzie Valley Land Use Regulations. The WLWB has approved the request and hereby authorizes Peregrine Diamonds Ltd. to store the items listed in association with Land Use Permit W2011C0005 from January 10, 2019 until July 9, 2019. Prior to this date, Peregrine Diamonds Ltd. must either:

1. obtain a new land use permit from the WLWB; or
2. complete the removal of all buildings and equipment pursuant to Section 16(1) of the Mackenzie Valley Land Use Regulations, restore the permit area to Section 15, and submit a final plan pursuant to Section 29.

The full cooperation of Peregrine Diamonds Ltd. is anticipated and appreciated. Please contact Roberta Judas, Regulatory Technician at (867) 713-2500 or email rjudas@wlwb.ca, if you have any questions.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Mackenzie".
