Good morning all,

As a follow-up to the October 25, 2018 email communicating the Wek'èezhii Land and Water Board (WLWB) issuance of Permit W2018C0005, Board staff note that the Board's Reasons for decision are now available on the WLWB Online Registry:

As described in these Reasons for Decision, the Board has received the [2019 Annual Work Plan](#) submitted in accordance with Condition 56 of Permit W2013C0005.
