

Land Use Permit Application for Adamera Minerals Hepburn Property

Metadata for ArcGIS Shapefiles

2007_Hepburn_RC_Drill_Coords_Nad83LCC.shp

Company Name: Adamera Minerals Corp.

Project Name: Hepburn Project

Description: A point shapefile showing the locations of Reverse Circulation Holes drilled by Diamonds North Resources in 2007.

Datum and Projection: Projection: Lambert Conformal Conic
 Datum: NAD83
 1st standard parallel: 62.0
 2nd standard parallel: 70.0
 Central meridian: -112.0
 Latitude of origin: 0.0
 False easting: 0
 False northing: 0
 Scale Factor 1

Data Set Creation Date: GPS coordinates were taken at the drill sites as they were being completed between May and July, 2007. A shapefile was created from this data on February 19th, 2015.

Person Responsible for Data Set: GPS coordinates were taken by Diamonds North Resources geologists and the shapefile was created by Zoe Pratt, GIS Manager for Adamera Minerals Corp.

Contact information: Adamera Minerals Corp.

Hepburn_Camp_Poly_Nad83LCC.shp

Company Name: Adamera Minerals Corp.

Project Name: Hepburn Project

Description: A polygon shapefile showing the locatios of the camp established under LUP W2009C0003

Datum and Projection: Projection: Lambert Conformal Conic
 Datum: NAD83
 1st standard parallel: 62.0
 2nd standard parallel: 70.0
 Central meridian: -112.0
 Latitude of origin: 0.0
 False easting: 0
 False northing: 0
 Scale Factor 1

Data Set Creation Date: GPS coordinate was taken at the camp site while it was set up. A shapefile was created from this data on February 19th, 2015.

Person Responsible for Data Set: GPS coordinate was taken by Diamonds North Resources geologist and the shapefile was created by Zoe Pratt, GIS Manager for Adamera Minerals Corp.

Hepburn_Fuel_Cache_Point_Nad83LCC.shp

Company Name: Adamera Minerals Corp.

Project Name: Hepburn Project

Description: A point shapefile showing the approximate location of the fuel cache at the camp site, established under LUP W2009C0003

Datum and Projection: Projection: Lambert Conformal Conic
Datum: NAD83
1st standard parallel: 62.0
2nd standard parallel: 70.0
Central meridian: -112.0
Latitude of origin: 0.0
False easting: 0
False northing: 0
Scale Factor 1

Data Set Creation Date: No GPS coordinate was taken at the fuel cache at the camp site, therefore this point shapefile is the approximate location only. The fuel cache is located within the Hepburn_Camp_Poly_Nad83LCC.shp. This shapefile was created on February 19th, 2015.

Person Responsible for Data Set: The shapefile was created by Zoe Pratt, GIS Manager for Adamera Minerals Corp.

Hepburn_Water_Withdrawl_Point_Nad83LCC.shp

Company Name: Adamera Minerals Corp.

Project Name: Hepburn Project

Description: A point shapefile showing the approximate location of water withdrawal from Hepburn Lake for domestic water usage at the camp site established under LUP W2009C0003

Datum and Projection: Projection: Lambert Conformal Conic
 Datum: NAD83
 1st standard parallel: 62.0
 2nd standard parallel: 70.0
 Central meridian: -112.0
 Latitude of origin: 0.0
 False easting: 0
 False northing: 0
 Scale Factor 1

Data Set Creation Date: No GPS coordinate was taken at the water withdrawal location at the camp site, therefore this point shapefile is the approximate location only. This shapefile was created on February 19th, 2015.

Person Responsible for Data Set: The shapefile was created by Zoe Pratt, GIS Manager for Adamera Minerals Corp.
