31 August 2019

Dear Mr. Mackenzie:

Subject: DDMI Request for Extension to Submission Deadline for AEMP Design Plan, Version 5.1

Diavik Diamond Mines (2012) Inc. hereby requests for an extension to the September 25, 2019 submission deadline for the Aquatic Effects Monitoring Program (AEMP) Design Plan, Version 5.1 (AEMP Design Plan) as directed in the Wek’éezhii Land and Water Board’s (WLWB or the ‘Board’) March 25, 2019 Decision following its review of DDMI’s 2014 to 2016 Aquatic Effects Re-evaluation Report and AEMP Design Plan, Version 5.0.

DDMI’s request for an extension to the submission deadline for the AEMP Design Plan is for time to advance our ongoing discussions/engagement with the Environmental Monitoring Advisory Board on the AEMP Design Plan.

DDMI intends to follow-up with Board staff in the coming weeks to determine a submission date for AEMP Design Plan, Version 5.1. Please do not hesitate to contact the undersigned if you have any questions related to this request.

Yours sincerely,

Sean Sinclair
Superintendent, Environment
