Dear Joel Gowman

**Re: Land Use Permit W2015X0006 Extension Request**

The Wek'èezhii Land and Water Board (WLWB or the Board) met on May 5, 2020 and considered Crown Indigenous Relations Northern Affairs Canada – Contaminants and Remediation Directorate's (CIRNAC – CARD) extension request for Land Use Permit W2015X0006 (the Permit).<sup>1</sup> The WLWB has decided to approve the extension request to W2015X0006 for a period of two years.

Two Administrative changes were made to the Permit. These administrative changes included updates to the phone numbers listed for the GNWT Lands Inspector (see condition 6) and the Prince of Wales Northern Heritage Center (see condition 42). These changes have been reflected in the Permit.<sup>2</sup>

Sincerely,
