Dear Ziaur Rahman,

Re: Version 1.3 of the TASR Waste Management Plan

The Wek'èezhìi Land and Water Board (the Board) received Version 1.3 of the Government of the Northwest Territories - Department of Infrastructure's (GNWT-INF) Waste Management Plan (WMP) for the Tłıchq All-Season Road (TASR) on November 10, 2020.¹ Version 1.3 of the WMP was submitted to address the Board's July 15, 2020 direction during the Water Licence Amendment and reflect current operations.² Version 1.3 was not distributed for public review because the revisions included in Version 1.3 were either straightforward to address previous Board direction or administrative in nature. The Board has thus approved Version 1.3 of the WMP.

Yours sincerely,
