Dear Ms. Murefu,

**Re: Wekweètì's 2017 Annual Report**

The Wek'èezhii Land and Water Board (WLWB or the Board) met on November 19, 2018 to review the Tlichò Community Government of Wekweètì's (Wekweètì) 2017 Annual Report submission, as required under Part B, Condition 1 of Water Licence (please note that W2007L3-0001 was recently renewed as W2017L3-0001).<sup>1</sup> The 2017 Annual Report noted that Wekweètì is expecting an upgrade of the old Water Treatment System to a larger computerized Water Treatment Plant in 2019.

The Board reminds the Tlichò Community Government of Wekweètì that, as per Part E, Condition 1 of the Water Licence, they must submit design drawings stamped by a Professional Engineer 90 days prior to the start of construction of the new Water Treatment facility, and, as per Part E, Condition 3, they must submit as-built drawings of the structures stamped by a Professional Engineer within 90 days of completion of the facility.

If you have any questions or concerns, please contact Roberta Judas at [rjudas@wlwb.ca](mailto:rjudas@wlwb.ca) or by phone at 867-713-2500.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Mackenzie".

Chair, Wek'èezhii Land and Water Board
