Dear Mr. Mackenzie:

The Tłı̨chǫ All Season Road (TASR) Type A Water Licence Application – No Objection to Proceed Without Public Hearing

The deadline for an intervention for the TASR Type A Water Licence application was July 28, 2020, however, no interventions were received. If the Wek'èezhì Land and Water Board (WLWB) does not receive notification from interested parties or the public to make a presentation at the Public Hearing on August 20, 2020, the Government of the Northwest Territories' Department of Infrastructure does not object to the WLWB proceeding with the review process without holding a Public Hearing.

Should you have any questions or concerns please contact me at (867) 767-9086 ext. 31117 or by email at Ziaur_Rahman@gov.nt.ca at your earliest convenience.

Sincerely,

Ziaur Rahman
