Final Clearance and Closure: Land Use Permit G04Q006
Quarrying, km 126 Frog Creek Dempster Highway – N 67°27'39" W 134° 03'45"

Mr. Blake,

Thank you for submitting the final plan. An inspection of the site by Indian and Northern Affairs Canada on June 22nd, 2010 indicates that all aspects of the operation were acceptable, and the department recommended closure of this permit.

Please be advised that final clearance of Land Use Permit **G04Q006** has been granted, and that our files are now closed as per Section 33 of the Mackenzie Valley Land Use Regulations (MVLUR).

If you have any questions, please do not hesitate to contact me at (867) 777-7969 or email J.Edwards@glwb.com.

Yours sincerely,

Mr. Edwards;

RE: Final Plan G04O006 – Quarry Operations Km 126 Frog Creek .

Please find enclosed the final plan for the above-mentioned Land use permit as required under section 29 of the MVLUR.

There was no area cleared outside the quarry site, and the quarry site was cleaned up afterwards and no debris or garbage was left.

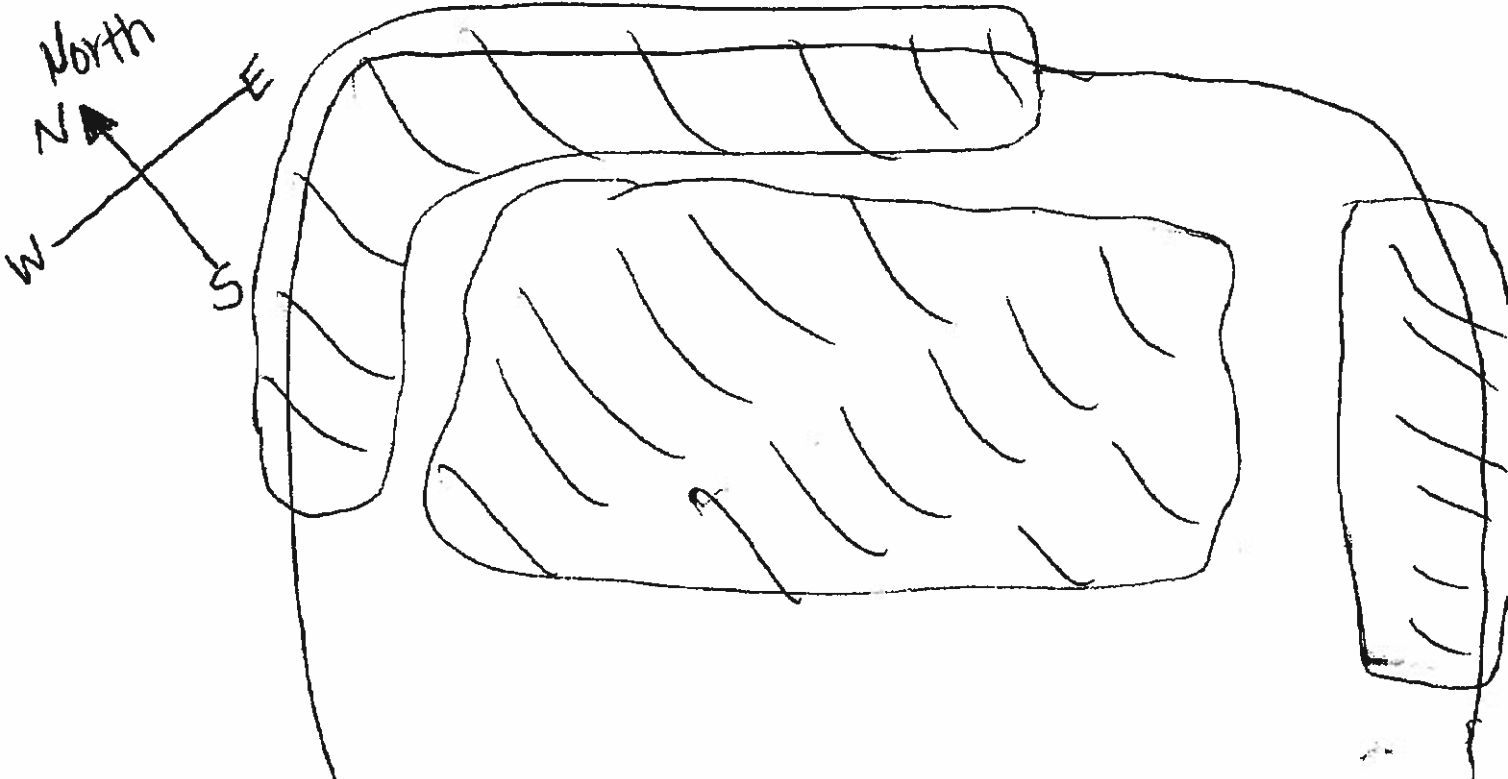

I hope that you will find this information satisfactory and please do not hesitate to contact our office should you require any additional information.

Sincerely,

Leslie J. Blake
President
